

A large cracker factory is being built by C. Vogler over a basement excavated on the corner of Morgan Avenue and Peterman St. Mr. Vogler is an experienced manufacturer of crackers, and is putting up the main building 25x40 feet, with the bakery adjoining which is to be 20x42 feet. This structure will be of brick, two stories high besides the basement, and will be something good to look at.

Downs Cracker Factory Announcement.
